

Quality Policy

At Ascend Performance Materials, our **customer-focused** value reminds us that when our customers win, we win. Therefore, we are committed to providing exceptional value for our customers by providing a consistent, reliable supply of materials that meet or exceed their quality expectations.

Working together as **one Ascend**, each of us has a responsibility to care for our customers' needs by:

- Paying keen attention to detail in our processes, delivery and customer service
- Adhering to internal procedures for the products and markets where sold
- Following all external standards and regulations that apply to our products and the markets where sold
- Consistently supplying quality products and reliable services
- Becoming **better every day** by committing to continuous improvement of our processes
